

BAKLASTER

THE SWISS ARMY KNIFE FOR ANY FARMER

Very versatile and timesaving. Cost and timesaving by combining several functions. The universal means of transport for soil, gravel, manure, hay, building materials and tools. Large adjustability and conversion options make changing to other attachments unnecessary. Indispensable for every hobbyist, horse owner and estate.

1. 3in1

Tackle any job with ease, with this 3in shovel, transporter and pitchfork

2. Effortless

Simply move, scoop or shovel things with the telescopic arm with hydraulic tilt and tipping.

3. Robust

Easily handles work loads up to 400kg

4. Dual-connect

Get flexibility with dual-connect giving you the ability to connect the Baklaster to the front or rear of the tractor

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
