

BETA XL MEGA

THE ULTIMATE OFFSET ALLROUNDER

Fast and powerful. For the professional with large overgrown areas and little time. Double-walled construction for extra resistance to damage from stones and sandblasting. Cold forged heavy hammers and hydraulically operated mulching doors allow for high production output. Highly suited for vigorous maintenance of sloping grounds and vertical vegetation by farmers, growers, contractors and municipalities.

1. Professional

Special reinforced XL Mega design intended for larger scale use

2. Versatile

Fits even the tractors with only 2 hydraulic groups, thank to a special hydraulic valve

3. Long-lasting

Enjoy a long-lasting machine with a safety valve, flow control, tilt and gearbox protection

4. 2in1

Hydraulically switch between mowing and mulching with integrated mulch door

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
