

ETA XL MANUAL

FOR HEAVY AND CHALLENGING GREEN CARE TASKS

Heavyweight and extra powerful. For professionals with little time and extensive workload. High productivity and overgrown terrain no problem due to large cutting force and heavy arm. Prolonged and heavy work without overheating oil due to 180 litre tank. Very suitable for clearing work and contracting.

1. Self-supporting

Experience the self-supporting independent hydraulic system to support hydraulically limited tractors minimizing strain on tractor

2. Premium

Enjoy premium quality with Casappa® dual stage hydraulic pump

3. Smooth

Be amazed at the smooth operation with the special integrated dampers

4. Dual-blade

Easily mow in either direction with specially designed Eta dual-blade T-hammers

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
