

DOUBLE FRAME

SIMPLE, YET VERY ROBUST FRAME.

Standard frame for mounting accessories easily to loaders and excavators, etc. The Commando Double frame is delivered with the right attach system for your carrier vehicle, which will enable you to use it right away upon delivery.

1. Multi-fit

Enjoy versatility, with the especially designed Aardenburg easy connect to fit most tractors, excavators, fork lifts and loaders.

2. Side-shift

Simply adjust tool position hydraulically to extend the working range, whatever position your job requires

3. Multi-connect

Enjoy flexibility, connect many different tools onto 1 frame, whatever tool your job requires

4. Tidy

Easy storage with especially designed hydraulic quick-connect holders that ensure your connections stay clean

5. (Im)proved

Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
