

DISCRIMMER

PRECISION TRIMMING FOR EVERY TERRAIN

Smart and versatile. For professionals and enthusiasts who demand precision and adaptability in trimming. Highly effective and long-lasting, the New Discrimmer is equipped with exceptionally sharp Widia Aardenburg 3 or 5 saw blades for a perfect cut, even on thicker branches. Its multi-fit design ensures compatibility with a wide range of machinery, offering unmatched versatility for any job. Designed for flexibility, it operates at various angles to deliver the tidiest results. Built with a heavy-duty piston motor and flow control valves, it ensures reliable performance even under demanding conditions. Ideal for municipalities, road maintenance teams, and estate owners, the Discrimmer is your trusted partner for achieving precise and professional trimming results.

1. Multi-fit
Enjoy versatility, with the especially designed Aardenburg universal mounting plate to the Trimmerframe or excavators

2. Precise
Enjoy a perfect cut on woody foliage thanks to the strong hydraulic motor and especially sharp Aardenburg 3 or 5 saw blades

3. Flexible
Enjoy working in a large variety of angles to get the tidiest result

4. Long-lasting
Enjoy a long-lasting machine with a special heavy duty plunjer pump and flow control valve

5. (Im)proved
Ease of mind with the special improved and proven Aardenburg design after intensive field testing and an extensive quality check
